# WHAT WE DO

**FUB Oslo is a forum for dialogue between Oslo municipality's city council responsible for the kindergartens and the parents with children in kindergartens.** FUB Oslo must shield the interests of parents and kindergarten children in front of the city council and represents the parents in matters of importance.

## **FUB - representatives from all of Oslo's boroughs**

All boroughs must be represented in FUB Oslo. The representatives are chosen mostly from among parents in the kindergartens' **coordination (cooperation) committee (SU)** that comprises parents/guardians and the staff of the kindergarten so that each group is equally represented. The Oslo parents' committee (FUB Oslo) also has a smaller **working committee**.

# COLLABORATION BETWEEN PARENTS AND THE KINDERGARTEN

The collaboration between home and kindergarten is legislated in the Kindergarten Act (Barnehageloven). It states that the kindergarten " must, in collaboration and close understanding with the home, safeguard the children's need for care and play, and promote learning and formation as a basis for an all-round development." (§1). Furthermore, the parents/guardians of all the children must "promote common interests and contribute to the collaboration between the kindergarten and the parent group creating a good kindergarten environment".

# COLLABORATION BETWEEN PARENTS AND THE KINDERGARTEN

To ensure cooperation with children's homes, each kindergarten must have an SU, which must "be an advisory, contact-promoting and coordinating body. The coordinating committee (samarbeidsutvalget) must comprise parents/guardians and the staff of the kindergarten so that each group is equally represented. The owner of the kindergarten may participate if desired, but may not have more representatives than either of the two groups. The owner of the kindergarten must ensure that matters of importance are submitted to the parents' council and the coordinating committee. (§4).

The kindergarten's content and tasks are described in the **framework plan**, which also mentions SU.
